Welcome to BLOSSOMS

**Our days at Kid's Kingdom
are filled with lots of LOVE and FUN!!**

**In our classroom we focus on your child's individual
needs and wants and meeting them wherever they are
developmentally!**

**We utilize the Frog Street curriculum with the four main
domains of physical, cognitive, language, and
social/emotional development.**

We LOVE our Tadpoles program!

**Tadpoles helps us keep track of all
the needs of our sweet kiddos and
communicating with parents!
Make sure you check often to see
if your child needs more
diapers/wipes/etc.. and to see all
about their day!!**
