

# Welcome to Fairy Tales!

We spend our days learning through play!!

We love to combine the Learning Without Tears and Frog Street curriculum to provide several different ways to meet your child's developmental needs!

There is a big focus on Self Help Skills and Language development as well as fine motor activities to help develop our emergent writing skills!

Make sure you are checking your Tadpoles daily to know if your child is running low on supplies and to see all the fun your child is having in our class!

Hello! My name is Ms. Ana! I have been at Kid's Kingdom for 2 years and LOVE my toddler tribe! I have 3 children of my own and enjoy cooking and gardening! I'm so excited to have your kiddo in my class!!

My name is Ms. Kaeli! I am a senior at Texas Tech studying chemical engineering and an alum of Alpha Xi Delta. I love hanging out with friends, working out, and shopping! I'm ready to get to know and love your little!!
