

# Get ready for a good time in Nursery Rhymes!

Our days are filled with  
Music, Movement Messy Play!

Our literacy based curriculum focuses on several  
different domains to meet your child wherever they  
are developmentally.

We love sign language, sensory play and large motor  
activities!

Make sure you are  
checking your Tadpoles  
daily to know if your child  
is running low on supplies  
and to see all the fun we  
are having in our class!
