

# Over the Rainbow

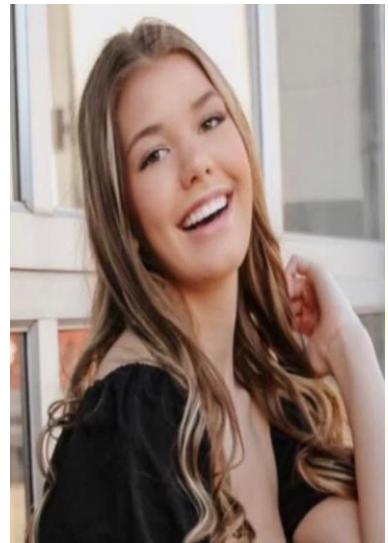

**Excuse the Mess, but we're learning here!**

**Our curriculum provides a key components to support your child's development through interactive play, fine motor development, engaging read-alouds, phonological awareness, and problem solving skills!**

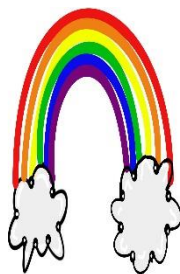

**Make sure to check Tadpoles daily!**

**We love to send updates of your kiddo so you can see all the fun they are having throughout the day!!**

Hello!! My name is Ms. Saturn and I've been at Kid's Kingdom 3 years! I love to dance and spend time with my family and friends. I am so excited to a great year with your sweet kiddo!!

My name is Camryn and I am currently attending college and waiting patiently to get into nursing school! My dream is to be a NICU nurse! I absolutely loves kids and am excited to be your child's teacher
