

PUDDLE DUCKS!!

We are a bunch of Lucky Ducks!!

Our fantastic Frog Street curriculum provides your kiddo with several different learning opportunities! Your terrific toddler will be immersed in a language rich environment that supports their cognitive, physical, and social/emotional development! Sign Language is BIG in our classroom to support your kiddo's emerging language skills. We also LOVE Music and Movement to help develop large motor development and dance our ways through our fun filled days!

Tadpoles helps us keep track of our sweet kiddos and communicate with parents! Make sure you check often to see if your child needs more supplies and to see all about their day!!

My name is Mrs. Mackenzie!

I am from Montana and recently got married!

I have 2 fur babies – a cat named Cardi C and a dog named Miley.

I love Flowers, French Fries, and Fun Times!!!

I'm so excited to be your child's teacher!!

My name is Elizabeth!

I am a senior at Texas Tech studying psychology.

I plan to attend graduate school to study school psychology to help elementary children! I love

these terrific 2 year old and am so excited to be their teacher!!
